

Presentation Peer Assessment

Ask a partner or your teacher to fill this assessment out for you after you have shared your presentation.

In my presentation...	★★★★	★★★	★★
I tried to make my presentation interesting.			
I used my voice clearly so my audience could hear.			
I used visuals my audience could see clearly to support my words.			
I used body language to help me present clearly.			
I explained what I had learned about through my research.			
I talked about my own experiments and what I had discovered.			
I kept my audience's attention well during my presentation.
